NIVED S
MERN STACK DEVELOPER

nivedsuresh5@gmail.com | github.com/Nived11 | www.linkedin.com/in/nived11 | +91 9539106813 | Kozhikode,Kerala

PROFESSIONAL SUMMARY

I'm a passionate MERN Stack Developer with hands-on experience in building full-stack web applications. I completed internships at Synnefo Solutions and Zecser Business LLP, where I worked on real-time and client projects using React, Node.js, Express, and MongoDB. I love learning new technologies and improving my coding skills every day.

SKILLS

Technical Skills
- HTML5, CSS3, JavaScript (ES6+), TypeScript, React.js.
- Node.js, Express.js, REST API
- MongoDB, Mongoose
- Git, GitHub, Postman
- Bootstrap, Tailwind CSS, Material UI
- VS Code, Netlify, AWS, Render,Vercel

Soft Skills
- Communication
- Problem-solving
- Time management
- Adaptability
- Team collaboration

PROJECTS

Qubitx – E-Commerce Website

Tech Stack: React.js, Node.js, Express.js, MongoDB, Razorpay

GitHub: https://github.com/Nived11/E-COMMERCE-QUBIT-

Developed a full-stack electronics shopping platform with a user-friendly interface. Integrated secure user authentication, dynamic product listings, cart management, order system, and online payments via Razorpay. Used React for frontend UI, Express/Node.js for backend APIs, and MongoDB for database management. Focused on responsive design, clean routing, and real-world use cases.

Talkio – Real-Time Chat Application

Tech Stack: React.js, Node.js, Express.js, MongoDB, Socket.io

GitHub: https://github.com/Nived11/TalkiO

Built a real-time web chat app enabling instant message exchange using WebSocket technology with Socket.io. Developed private chat rooms, message notifications, and persistent chat history storage. Managed user sessions with JWT and stored chats in MongoDB. Created a responsive React frontend and handled real-time server-side communication via Express.

Blackstorieez – Photo Showcase Website

Tech Stack: React.js, HTML5, CSS3

GitHub: https://github.com/Nived11/Black-Storieez

Designed and developed a static event portfolio site to showcase wedding, party, and photoshoot content. Integrated categorized reels and gallery sections. Focused on performance, modern animations, and immersive user interface using React. Styled with custom CSS to maintain visual elegance across all screen sizes.

INTERNSHIP EXPERIENCE

Synnefo Solutions
Ernakulam
01/2025 - 02/2025

- Built real-world web applications using MongoDB, Express.js, React.js, and Node.js.
- Developed a complete e-commerce platform with user authentication, shopping cart, and Razorpay payment integration.
- Built a real-time chat application using Socket.io with persistent message storage in MongoDB.
- Improved skills in API development, component-based UI, responsive layouts, and Git collaboration.
- Gained exposure to agile teamwork, code versioning, and deployment practices.

Zecser Business LLP
(Remote)
07/2025 - 09/2025

- Worked on client-based projects, developing full-stack web applications using the MERN stack.
- Implemented authentication and email verification using Node.js and TypeScript.
- Designed and integrated RESTful APIs for user management and data operations.
- Collaborated with the remote team using Agile methodology and Git for version control.
- Strengthened knowledge in TypeScript, and backend integration with MongoDB.

EDUCATION

Bachelor of Computer Applications (BCA)
MET Arts & Science College, Nadapuram – Calicut University
08/2021 - 05/2024

MERN Stack Development
Synnefo Solutions,Ernakulam
08/2024 - 01/2025
